

## MidlandsMBO 2019 League - By Class

The final league score is the sum of the best six scores. Scores not counting toward the total are shown in brackets. To be eligible for an award, a rider or team must complete at least five events. An event organiser is awarded a score for their event that is the average of their best three scores from the events they rode, and is highlighted yellow. Riders or teams without MTB numbers (BMBO membership numbers) are not shown in this table, their scores will be counted if the rider or team provides an MTB number or numbers at a later date. Riders or teams with only one result are also not shown. If you have any queries regarding these results or believe there is an error please contact phil.botting@gmail.com
